

Derd, Floris and Jen,

We have taken Claudia with us to Belgium

- ① We want ~~300~~ <sup>three hundred</sup> kilos of cocaine
- ② Do not inform the police about this, otherwise you will not see her back.
- ③ We will contact you in 3 days to thursday if you informed the police there will be no contact
- ④ Our demand is not negotiable!! The reason is that the ransom can't be traced and the police is not allowed to deal cocaine
- ⑤ Its up to you guys now we are shure that you want her back and that you can deliver our demand.

P.S We will know if the police is involved because we have relations with them
